THE MOST EFFICIENT PANORAMIC FIRE

Our Landscape fireplaces feature a range of stylish finishes including 50mm trims or optional 6mm profile trims for a frameless look and a full width glass viewing area to maximise the brilliant flame pattern's impact. A stunning centrepiece for your room, the Landscape also creates a cosy environment. The Landscape looks great and impresses with its high energy efficiency star rating. With a full remote as standard, you have complete control over the room's temperature.
