

# ELEMENT

A BREATHTAKING ADDITION TO ANY SPACE

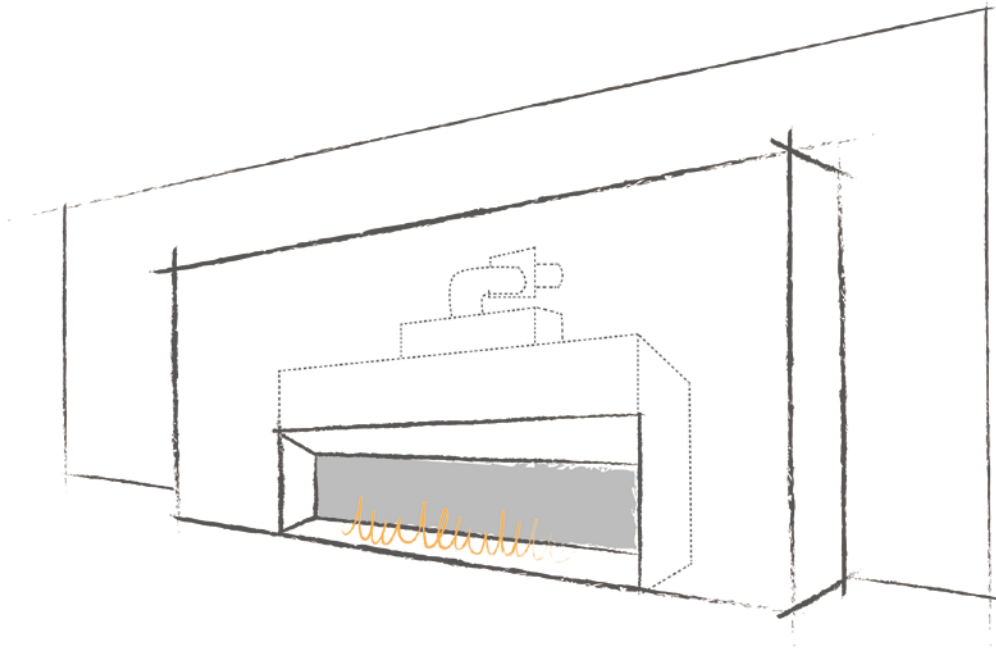

The Element 1200 and Element 1800 are simply breathtaking with their clean lines, beautiful flame pattern and multiple media options. With an impressive star rating and the latest in power balanced flue technology it makes the Element the perfect package for the discerning buyer. The Power Flue allows total flexibility during installation in two storey homes, apartments and commercial projects. Full remote control capability gives the owner complete control of the fire. The Element also has wifi capability with an app, enabling operation of your fire from your smart device so the room is nice and cosy for when you get home!
